SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the requirements of 37 CFR §1.56, applicants submit the document attached hereto to be made of record in the above-identified case. A listing of said document on form PTO-1449 is also attached.

The present Supplemental Information Disclosure Statement is being filed concurrently with the filing of the RCE Application; therefore, no filing fee is believed to be required. If a filing fee is required, the Commissioner is hereby authorized to charge applicants' deposit account 01-1350 for the full amount of said fee.

The M. Kaufmann & G. Bräutigam article, "Natürliches CaCO₃ in holzhaltigen Systemen," Wochenblatt für Papierfabrikation submitted with the Information Disclosure Statement dated 8/18/2005 is not in the English language. An English language

translation is submitted herewith. The translation was provided by RWS Group, a patent translation and search company.

This Statement is not intended to represent that no better art exists. Applicants reserve the right to contest the applicability of the documents attached hereto as prior art in the event that any information is discovered which demonstrates that said documents do not qualify as prior art.

Consideration of the present Supplemental Information Disclosure Statement is respectfully requested. The claimed invention is, however, deemed to represent a patentable departure from the teachings of the prior art.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David H. Vickrey", written in a cursive style.
